AHEPA Philanthropic Endeavors

Dear Brothers, and Friends of AHEPA,

May 8th, 2024

We are pleased to celebrate AHEPA's Garden State Chapter #517 Event. We are delighted you have joined us and welcome you for this long-awaited event.

Your support has helped us in undertaking a national initiative for the fundraising of the AHEPA's Service Dogs for Warriors program. The program was presented at the 2016 National Convention and was received with great emotion and pride. The program raises much needed funds to purchase service dogs that rehabilitate wounded warriors suffering from PTSD.

In addition, your support also provides funds that allows us to donate to additional Philanthropic endeavors including Ronald McDonald House, AHEPA District 5 Cancer Research Foundation, Fulfill of Monmouth, and Ocean Counties (Food Bank), just to name a few.

Much appreciation to our sponsors who participated in taking an ad in our journal, which further assists our chapter in fulfilling our goals and programs. We ask that you patronize and support our sponsors. Special thanks to the Grand Marquis for hosting our Event and providing with outstanding food and service.

In addition, we would like to take this opportunity to express our gratitude to the brothers of Chapter 517 for their hard work, generosity, and determination in organizing this memorable event.

On behalf of the AHEPA Garden State Chapter #517, THANK YOU for joining us, your continued support, and for making this evening once more a success.

Respectfully,

Bill Parlamis – Co – Chairman

Demetri Orfanitopoulos – Co-Chairman

George Scoullas – Co-Chairman

Dimitri Dimitriadis – Co-Chairman

AHEPA GARDEN STATE 517 FOUNDATION

May 8, 2024

Dear Guests and Supporters of AHEPA Chapter #517,

It is with great excitement and honor to welcome you to our 13th Annual Cigar Night and Networking Event, which is our Chapter's most anticipated event of the year. It promises to be a very enjoyable evening amongst colleagues, acquaintances, old and new friends whilst enjoying unsurpassed food and drink, entertainment and prizes which are thoughtfully organized throughout the year for all of our guests to enjoy.

Your charitable contributions to this event and throughout the year make it possible for us to help our philanthropic goals. AHEPA Service Dogs for Warriors, a national project that started with our chapter, The Ronald McDonald House, St. Basil Academy, Fulfill of Monmouth County, The Children's Tumor Foundation, The Cancer Research Foundation, St. Jude's Children's Hospital, St. Michael's Senior Home, The Cyprus Children's Fund, Journey to Greece, various scholarships and many more that help our community are just the few that we extend ourselves to.

Much time, talent and dedication from all our Brothers goes into our events, such as this one in order to make them a success. We are very fortunate to have a few of them volunteer their time as our board of directors; Steve Anastasatos, VP, Kostas Koufidis, Treasurer, Chris Petrou, Secretary, Nick Fourniadis, Assistant Treasurer and Basil Kostis, Assistant Secretary. My heartfelt gratitude and much appreciation also goes out to the chairmen of this event; Bill Parlamis, Demetri Orfanitopoulos, Demetri Dimitriades, George Scullos and Artie Wassif that come from near and far to ensure that our cigar night is a hit – THANK YOU!

Lastly and above all, without the continued support of our sponsors, Brothers and attendees none of this would be possible to accomplish.

Gratefully yours,

Paul Zafiriou

President – AHEPA Chapter #517

Service Dogs are Giving our Veterans a Second Chance in Life

Every so often a humanitarian cause comes along that captures our imagination and causes us to stand up and answer the call of duty. So many of our American heroes come home from war physically, yet remain on the battlefield. They are imprisoned by their own thoughts, which causes 22 veterans every single day battling PTSD and choose to commit suicide, rather than live with the effects of their invisible battle scar.

Studies have shown that medical service dogs help wounded warriors to mitigate their disabilities and overcome challenges that inhabit them from functioning independently with their families and community. The road to recovery is a long and hard road. The Service Dogs are proven to open doors both literally and figuratively for the Wounded Warriors by performing tasks and behaviors that help reconnect with their families, community and with each other.

You see, taking care of our Veterans is a sacred obligation that we must all honor. It is with deep gratitude to the Order of AHEPA and the Daughters of Penelope, for undertaking such a noble effort to help save two lives; the veteran's and the service dog that was rescued from a dog shelter. To date, \$1,300,000 has been raised and our expenses are an unbelievable 1/3 of 1% statistically 0. In other words, 99.6% cents of every dollar go directly to the sponsorship, of a service dog.

Abraham Lincoln once said, "To care for him who shall has been born of battle" With the help of these service dogs and with the Grace of God, we are making a difference.

Won't you please make a donation to this noble cause?

God Bless our Veterans.

- "Summer just wasn't the same on Long Beach Island without Old Barney, the familiar red and white lighthouse that has been standing tall at the mouth of the Barnegat Inlet since 1859.
- The lighthouse went dark in March and was shrouded in scaffolding all spring and summer while workers re-pointed the brick exterior, fixed the leaky roof and added new glass.

Now the scaffolding is coming down, a signal that the \$1.3 million project is almost finished. The familiar red and white lighthouse has been shored up and almost ready to shine again.

- The work—complete exterior restoration, which includes masonry recoating and repairs to its brick structure, replacing windows, repairing steel platform—was done by Spartan Construction of South Amboy and funded through the state's corporate business tax".

Wawa®

Welcome to the

NEIGHBORGOOD

At Wawa, we don't have customers. We have neighbors. And being a good neighbor is the most important part of who we are. That's why we take so much pride in the food we serve, the communities we call home, and the associates who greet you with a smile every time you stop in to see us. It's for neighbors like you. For the Neighborgood.

"It takes a few minutes to even comprehend the array of food options available at Wawa. The well-stocked prepackaged section is ambitious and diverse in scope. Even packaged food appears fresh — not as though it has been abandoned on the shelf for untold lengths."
